"How Does Girls on the Run® make you Fearless?"

In 300 words or fewer

ESSAY:

Girls on the Run could make any girl fearless, because when you're surrounded by people you trust, respect, and care for, nothing can hold you back from being the beautiful person you have grown to be. Eventually, you don't have to be at Girls on Track practices to feel free; to be yourself; to be confident; to be fearless.

When you see your inner beauty, everyone else does. That's what Girls on the Run tries to show girls at a young age, so we'll keep that knowledge forever. Inner beauty isn't something you earn, but that you're born with. The trick is to find it inside of you, and let it shine through for everyone to see. How could you have fear when your natural beauty sparkles? Unlike beauty, confidence is something you have to work at. It's the difference between negative and positive. The negative girl is in what we call "the girl box," while she feels trapped and lonely. The positive girl is confident, happy, and free-spirited.

So GOR could make anyone fearless with the exercises they teach about confidence and beauty. Because the more girls without fears, the more strong, beautiful women those girls will grow up to be to create a better future for the next generation.

"How Does Girls on the Run® make you Fearless?"

in 300 words or fewer

ESSAY:

Girls on the run is a place where I can be myself. Where I don't have to be all cool. I don't have to act different. Since Girls on the run I don't really get scared, but fearless? Before Girls on the run I thought that only gods were fearless. The Gods that could jump off a mountain and only land a centimeter. And Gods that could kill someone by snapping their fingers. Now I know that any one and everyone is fearless. GOTR taught me that. All you have to do is not lie to yourself. Everyone is beautiful and you don't have to hide behind a shield of makeup or be an outsider. You can do anything if you try. And Running a 5k im not scared because thats what GOTR is all about. Taking chances and trying new things. You differently should do your best. ~~And~~ Truthfully if you can do that YOU are fearless!
