

DREAM IT. DO IT. BE IT.

A VIRTUAL EVENT TO BENEFIT GIRLS ON THE RUN

CELEBRATION GUIDE FAQ

How long is the event?

The virtual fundraising event will be one hour long, 7:00 pm - 8:00 pm EST, on Thursday, March 31, 2022.

When will my guests receive the link to attend the virtual event?

Guests will receive an email with the link on March 24 and reminders leading up to the event!

Will a recording be available after 7:00pm EST on March 31?

The event will stream LIVE at 7:00 pm EST/4:00 pm PST on Thursday, March 31, and will be available for viewing for 24 hours for anyone unable to attend the live event!

Who can I contact at GOTR to provide me with my guest list?

As an Event Host, you will be assigned a [GOTR Personal Party Hostess](#) - she will be your main point of contact and your cheerleader for the event. She will connect with you in early February to introduce herself. You may reach out to her leading up to, during, and post-event to request your guest list, ask questions, or for guidance and support. She will provide you with your final guest list after the event and can share guest donation information if requested.

How will my guests be able to donate during the event?

A link to donate will be in the chatbox, and a QR code will be on-screen during the event. Guests can click the link or snap the QR code to donate via credit card. Should guests prefer to donate via check or donor-advised fund, GOTR will provide instructions in a post-event email. Please see the [Event Host Tips](#) for ideas on how to encourage your guests to invest in our important work.

Can I host an in-person watch party?

Absolutely! Hosting a Watch Party allows you to share this empowering event with your friends, family and neighbors and deeply connect them to the important Girls on the Run mission. Use the Watch Party invitation template, photo booth props, fundraising tips and Girls on the Run activity to help make your Watch Party memorable & fun! Don't forget to take and share photos and tag Girls on the Run International on social media!

Hosting a Watch Party is as easy as 1-2-3:

- 1) Follow local guidelines for the health and safety of guests.
- 2) Ensure a good internet connection, a screen that all guests can see and great sound.
- 3) Encourage your guests (in-person and virtual) to make a donation in support of girls!
